The Space: A Design that Invites Pleasure Behind the main entrance, you'll find a **patio with chairs**, ideal for a family breakfast in the shade, thanks to the diverse plants and trees. From the living room, access the best part of the house: the **private garden with a Weber barbecue**, sun loungers, and a versatile space where you can eat, relax, play, and more.

Returning to the kitchen, if you proceed, on the right side you'll find the stairs. If you go down, you'll discover another room and a **spacious basement**, with direct access to the parking. If you go up the stairs, you'll see a bedroom with a private bathroom on each side and a **large terrace for each**.
