Set over 3 floors, the Lodge offers up to 10 guests a stay in a traditional and luxury ski chalet in St Anton. The perfect option for groups of family and friends, this 238m² combines rustic charm, contemporary furnishings and wellness facilities for an enjoyable stay.

Decorated with lovely rustic wood and traditional elements, the Lodge's beautiful interiors exude character and cosiness. There is a seamless flow between the different areas of the Lodge's open plan loft-style living space, featuring everything you could need for a self-catered ski holiday. Not one, but two, comfortable sofa areas will allow guests to cosy up in front of the central wood-burning fireplace under blankets or catch up on any missed TV programmes on their return from the slopes. On the opposite side of the living area, lies a solid wooden dining table, seating 10 guests comfortably, the perfect setting for your evening meals in view of the Rendl ski area. A fully-equipped open kitchen, complete with matte black cabinetry and Miele appliances, offers a social setting to prepare your dinners.

After dinner, head outside to the chalet's balcony with an apéritif. Alternatively, unwind in the Lodge's wellness facilities to soothe any aches and pains after a day skiing in the Arlberg ski region. Featuring a Swedish-style sauna and tranquil massage room, both situated on the first floor, this luxury ski chalet is well-equipped to cater to your post-ski relaxation needs.

The Lodge sleeps 10 guests across its 5 elegant bedrooms, which whilst roomy, retain a cosy and inviting atmosphere for your night's rest. Two double/twin bedrooms can be found on the chalet's ground floor, one of which benefits from an en-suite bathroom and the other, an en-suite shower room. The lower ground floor is home to the master bedroom, which is a generous space and is complete with walk-in wardrobe and en-suite bathroom and separate shower. A double/twin bedroom and twin bedroom can also be found on this floor, both featuring en-suite facilities. Due to the configuration of each bedroom, the Lodge is

perfectly set up to cater to your group's needs, whether it be a family ski holiday or a corporate ski trip to the Alps.

For additional convenience, guests staying in the lodge have access to one designated covered parking space, a ski room with heated boot warmers and private laundry facilities. Outside the entrance to the Lodge, there is a covered shared terrace area with outdoor seating and a fireplace for another après-ski option for your group to enjoy.
